50. Memoriams

In loving memory of our dear mother, Mary Coleman, who passed away eight years ago, Feb. 11, 1975, and our dear brothers, David and James Coleman who lost their lives one year ago, February 1, 1982 in a fire.
The month of February is here once again,
The saddest month of the year,
For it is the time the ones we loved so dearly were called away.
Only god knows how much we miss you all.
Your memory shall never fade.
Our loving thoughts will always wander to the graves where you were laid.
A million times we've missed you all.
A million times we've cried
If love alone could have saved you all
You never would have died.
In life we loved you dearly
In death we love you still.
In our hearts you all hold a place none else could ever fill.
Sadly missed by your children and grandchildren,
brothers and sisters and family.

To Rhonda Kay
My friend I thought of you today,
My tears they fell like rain,
For so long I couldn't cry from the shock and from the pain.
Our friendship was so perfect,
in each and every way.
Nothing was more painful,
Than the parting of the way.
Wait, now my friend by the golden gate,
or on the golden stair.
For life is but a vapor, and soon I'll meet you there.
Where pain and tears cannot mar,
that beautiful perfect day.
Where there will be no sorrow,
No parting of the way.
The past I know I must except

Through I may not understand,
But I know who holds tomorrow
and I know who holds my hand.
In my thoughts always,
Jane

Forest fire situation not bad in this area last year

Spring, 1982 brought some very critical forest fire weather to Southside Virginia. Extremely low humidities, high winds and warm temperatures suddenly changed fire danger from moderate to extreme in early April. Cooperation from the public and quick response by volunteer fire departments, forest wardens and volunteers kept small and moderate sized forest fires from becoming major fires.
The Farmville District of the Virginia Division of Forestry covers ten counties in this area. Within the District, there were 154 forest fires which burned a total of 433 acres in 1982. A rainy fall fire season resulted in a lower than average number of fires for the year.
The size of the average forest fire was kept to a low of 2.8 acres. Volunteer fire departments extinguished many fires before they endangered forest lands. The fire departments also cooperated with the Virginia Division of Forestry in controlling forest fires which had the potential for becoming very large and damaging to timber, real property and people. Cooperation from the public in obeying Virginia's forest fire laws prevented many fires from starting. Forest Wardens who enforce these laws reported only 33 violations of the Spring 4 P.M. Burning Law.
Amelia County had 10 fires burning a total of 16 acres. Appomattox County had 11 fires burning 7 acres. Buckingham County had 12 fires burning 32 acres. Campbell County had 25 fires burning 40 acres. Charlotte County had 13 fires burning 120 acres. Cumberland County had 16 fires burning 46 acres. Halifax County had 35 fires burning 121 acres. Lunenburg County had 13 fires burning 12 acres. Nottoway County had 5 fires burning 18 acres. Prince Edward County had 14 fires burning 21 acres.
The Division of Forestry wishes to thank everyone for their cooperation during the past year.
